Dear Friends,

Our second annual Online Oktoberfest and Virtual Silent Auction is scheduled for October 4-9. We will be going "live" via Zoom and Facebook at 7 pm daily, so tune in to celebrate Oktoberfest virtually and learn what's new at Stanford Settlement Neighborhood Center. The Virtual Silent Auction will begin on October 4...it's "open" 24 hours a day on your computer, tablet, or phone. There are lots of great items available to bid on! Thank you to all of our event sponsors, including: **Parasec, Sacramento County Supervisor Phil Serna, Mayor Pro Tem Angelique Ashby, Councilmember Jeff Harris, Fechter & Company, North Sacramento Chamber of Commerce, and the Lynch Family.**

We've recently seen a surge in covid cases in our neighborhoods, and vaccination rates have remained lower here than in other parts of Sacramento. Individuals that we've known and loved have passed away because they were unvaccinated. In September, we began hosting weekly covid vaccines and testing here at Stanford Settlement to address vaccine hesitancy in our community. Vaccination is one of the most important steps in ending the pandemic.

Redistricting efforts are underway in the City of Sacramento, and we urge all city residents to participate! It is important that district boundaries are defined by community members who understand and represent Sacramento's diverse neighborhoods. Submit your new district lines at: redistricting.cityofsacramento.org

If you live or work in the area, you know that safety on Northgate Blvd has been an ongoing concern. We are happy to partner with the City of Sacramento as they look for ways to improve Northgate Blvd between Interstate 80 and Hwy 160. Their project goals include enhancing transportation safety, improving mobility, and planning with and for the community. Learn more about the project here: <http://NorthgateBlvd.com/>

It's hard to believe that the holidays are just around the corner. **Operation Cratchit**, our annual Christmas basket program, will provide hundreds of families with food and new toys again this year. With the expanded needs in our community, your contributions of food, gifts, and financial support are greatly appreciated. See more information inside this newsletter, or send a contribution in the enclosed envelope.

With gratitude,

Julie Rhoten
Executive Director

WHAT'S TO COME?

The Sacramento Independent Redistricting Commission is redrawing district lines; add your ideas for consideration! Help shape Sacramento! As a resident of our city, you have an opportunity to submit your ideas for the new district lines. Every 10 years, after the U.S. Census, the City of Sacramento must re-establish the boundaries for City Council districts. The resulting council-district boundaries must be balanced in population in accordance with local, state, and federal rules governing the redistricting process. That means, the **City of Sacramento needs your voice!** If you or someone you know is passionate about the City of Sacramento and wants to make sure the redrawing process is free from special interest and political strife—encourage them to draw their own lines! Ensure your neighborhood remains intact and people-powered.

Submit your new district lines at:
