Community  
Development

Dear Friends,

On behalf of our Board of Trustees, staff, and participants, I extend our heartfelt gratitude for your support on Big Day of Giving. We are humbled by the generosity of those who believe in our mission. Special thanks to **Parasec** and **Ken & Diane Luttrell** for contributing matching funds. Your support allows us to continue to be responsive and flexible in how we help others, as we look ahead to when we can resume center-based programs.

Many of our participants and their neighbors have been hesitant to get the COVID vaccine. Those who work front-line, essential jobs have been at greater risk of being infected, and people of color have been disproportionately represented in COVID-19 cases and deaths. Last month, we partnered with **Sutter Health** to offer vaccine pop-up clinics at Stanford Settlement Neighborhood Center, because we believe that getting vaccinated provides protection for the most vulnerable.

As we look forward to re-opening our programs, we have been able to invite some of our teen participants back in very small groups for a special mural project inside the Teen Center gym. Thanks to a grant from the **Creative Arts League of Sacramento**, we have selected a local artist, **Samantha Inda-Quintero**, to lead this effort with our teens. Special thanks to former participant and neighborhood hero **Robbie Robbins** for a generous paint donation supporting the project! We can't wait to share the finished project with you.

If you are a golfer, please consider joining us on Wednesday, June 23 as we bring back our annual golf tournament, Fore Good! Breakfast, lunch, and complimentary range balls will be included. **Parasec** is the presenting sponsor, and golfers will have the chance to win a 2021 Toyota Camry SE with a hole-in-one, courtesy of **Maita Toyota!** More information inside!

Thank you again for helping us help the community during this very unusual time. Better days are ahead for us all.

With gratitude,

Julie Rhoten,  
Executive Director

# THANKS FOR HELPING US HELP OTHERS!

We are so **humbled and grateful** for the support we have received from everyone on Big Day of Giving. Thanks to everyone who made this all possible by donating, fundraising, and promoting Stanford Settlement Neighborhood Center. **Due to the generosity and thoughtfulness of donors**, we raised **over \$121,471 for our programs and services**. Over \$13.3 million was raised in the region in support of non-profit organizations throughout Sacramento. Thank you for also helping us win \$1,200 in prize challenges; these prize challenges included most donors and donations accumulated between 8 a.m.- 9 a.m, along with a booster prize.

We are also thankful for those who have provided matching funds which then doubled donations on Big Day of Giving. **Thank you Parasec and Ken & Diane Luttrell!** Furthermore, we would like to acknowledge **Golden 1 Credit Union** for boosting donations made by their customers. Last but not least, a big thank you goes out to the **Sacramento Region Community Foundation** for leading, marketing, mentoring, and supporting non-profits leading to Big Day!

**Thank you for believing in Stanford Settlement's mission** and helping us help others! Your generous donation will allow us to continue and provide services for children, teens, seniors, and families!

## THANK YOU FOR YOUR PARTNERSHIP!

Though COVID-19 continues to affect all of us, there's hope on the horizon. Sutter Health has administered over 700,000 doses through their clinics and large-scale sites. We are grateful to Sutter Health for addressing vaccine hesitancy in our community by bringing their vaccine pop-up clinics to Stanford Settlement Neighborhood Center.
