A message from Sister Jeanne—

We are already beginning the second month of the new year 2019. As I look backward, I feel the loss of so many people who have played a part in the life of Stanford Settlement. Yet, I cannot dwell there. I also see how much we have played a part in the lives of others—the positive impact on so many people. And now it's time to look ahead—to see our future unfolding—to steer the direction in which we are going.

We want and need all of you on our journey. We need the support of the community to help us “keep on keeping on”. We have many things coming up in 2019 and we hope that you will chose to be a part.

May 2—Big Day of Giving

June 19—Fore Good Golf Tournament—Teal Bend Golf Club

September 21—Monte Carlo Night

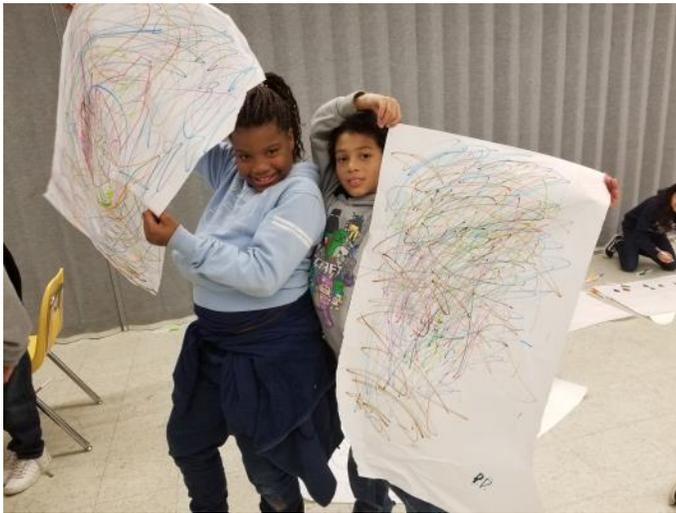

May this year be filled with many blessings!

Children's Program

Happy New Year to all! We hope 2019 will bring lots of joy and memorable moments to all of you. The After School Groups began the 2nd session on January 8th. We missed the kids during winter break so much and were so happy to have them back and welcome some new faces to the program! During this session, we have many fun activities planned for special days, such as Valentine's Day, President's Day, and St. Patrick's Day along with our regular all-time favorite activities!

After School Groups are designed to help children build important social skills, learn problem-solving skills, and establish meaningful relationship with peers through fun activities, including arts and crafts, sports, games, cooking, field trips, and more. The groups meet 4 days each week: 3:00-5:00 p.m. on Tuesday, Thursdays, and Fridays, and 1:00-3:30 p.m. on Wednesdays.

The 3rd session of the After School Groups will begin March 5th, 2019. We look forward to meeting and signing up more kids! For more information or to register a child for the next session, call Meg at 927-1303.

We would like you to welcome Estephany Ibarra, who has been doing her Social Work internship with us since September, as an official Group Worker for the Children's Program! She has been working with our youngest group (5-7 year olds), and we are very fortunate to have her!

Teen Center

The Teen Center has been having a great 2019 so far! We will be hosting our holiday parties for Valentine's Day and St. Patrick's Day! Join us for some delicious food and cookies. Don't forget, our annual pool tournament against the Senior Center is coming up in April. The Teen Center will be training really hard in the next few weeks. Join us so that we can take back our golden plaque!

If you are in 7th-12th grade and live in the area, we invite you to come check us out. We are open Tuesday, Thursday and Friday from 2:30 p.m. to 7 p.m. and Wednesdays from 12:30 p.m. to 5 p.m. Swing by after school to see what we are all about! If you are currently attending Smythe Middle School, bus route #105 will drop you off at our Teen Center after school! Transportation back home is also available for teens that live in our service area.

Upcoming activities for this holiday season include Valentine's day cards, salt shamrocks, and capture the flag. We provide a tasty snack daily and you can also enjoy a bite from our snack bar. Don't forget to bring your friends! For questions or more information, please call Adam, Porscha or Jocelyn at (916) 927-1303.

Qualified Charitable Distributions

As the holidays and the end of the year approach, we must all be thankful for the many blessings we have received throughout the year. During this time of year, many charities count on individuals' generous donations to make ends meet and to accomplish the many good works of the charity. One of the best ways to make a charitable donation to Stanford Settlement may be through the use of a "qualifying charitable distribution." **What is that, you might ask?** At the end of 2015, the President signed into law The Protecting Americans from Tax Hikes (PATH) Act of 2015 which made the provisions of Internal Revenue Code (IRC) Section 408(d)(8) "qualifying charitable distributions" permanent. The four requirements are relatively simple. The charitable distribution must be: 1. From a traditional IRA or a Roth IRA; 2. Direct from the IRA trustee to the charitable organization with no intervening possession or ownership by the IRA owner; 3. On or after the IRA owner has reached age of seventy and a half (70½); and 4. A contribution to an organization that would qualify as a charitable organization under IRC Section 170(b)(1)(a), other than a private foundation or donor advised fund. The annual limit is \$100,000 per year; therefore, "qualifying charitable distributions" can be made by donors every year.

There are other tax benefits that may be derived from making "qualifying charitable distributions" but it is always best to consult with your tax advisor regarding your own unique income tax situation.
