

## **Operation Cratchit**

### **Toy Drive Ideas**

#### **Things to remember:**

- Gifts are needed for children **up to age 15!**
- Parents come in to select the gifts for their children, so the gifts should be **NEW** and **UNWRAPPED**.
- Parents only choose **ONE** gift for each child, so larger items (value of \$10 & up) are preferred, rather than smaller items such as crayons, coloring books, stuffed animals, etc.
- Gifts for ages 10-15, and for ages 0-2 always run low.
- If you have (or know!) a child, ask them for their ideas!
